

CARBON RECORDINGS UPDATE

FIRSTLY, WE'RE PLEASED TO ANNOUNCE WE'VE INTRODUCED A NEW LOOK TO THE CARBON RECORDINGS BRAND. WE'VE GIVEN IT A BIT OF A REVAMP SO KEEP AN EYE OUT FOR OUR NEW ARTWORK.

And now the big news! After the success of Carbon, known for it's high-quality, high-energy hard trancers, we are proudly launching Carbon Trance.

Our first Carbon Trance release is a superbly lush track by Tomcat (aka Dom Sweeten). This will be followed by our very own Dale Fairbairn (aka Butcher Boy).

Our Carbon Trance releases will be recognisable by the new pink coloured brand (pink is the new black...),

while the Hard House releases will start a fresh look with the multi-coloured artwork.

Back on Carbon, Scuba Steve & Butcher Boy from Omega 3 have been back in the studio banging out a new Hard House stomper "Hey Baby" due out in June.

Here's whats lined up for release in the next 2 months. Please visit our [Facebook](#) and [website for samples](#)
